

Summary of Evidence pages to follow:

The Anderton family and their co-conspirators (a grand jury indicted lawyer and scum accountant) have evidenced a pattern of civil accounting fraud, tax-misreporting and multiple violations of the Tennessee Consumer Protection Act-- all in their unmitigated efforts to unduly enrich themselves in violation of state and federal law.

This evidence suggests that the patterns of "civil" abuses, in fact, are criminal in nature; And that a RICO- racketeering conspiracy is the hallmark of anything which involves Bill Anderton, Kevin Anderton, Scott Anderton, their wives and other adult family members (as a group) And David Johnson, the fraud-indicted lawyer and Nate Prager, the lying CPA with so many bankruptcies to his credit, honest people lose count.

These evidence pages show multiple accounting frauds and tax mis-reporting (pages 1-3) suggesting multiple accounting books.

Lies and deceptions, in violation of the TN Consumer Protection act (page 4 and 5)

Proof that the lying, grand jury-indicted lawyer, Johnson, was a co-conspirator in the operations of Anderton's ACMI companies-- even as he professed to 'just' be their "independent council".

(pages 6-13)

In total, Bill Anderton hides behind David Johnson, Nate Prager and his own sons, using them to lie and abuse vendors, agents and the law.

This vendor was solicited in 1995 by the Andertons to commit federal copyright violations, which-- had they been done-- would have given the Anderton scum something "on" the vendor. They are scum.

**Retaliation fraud**

A month after I complained about not being paid a cent for the recharge of a single Marilyn phonocard (of 70,000 produced) ACMI retaliated with this fraudulent commission record: Showing the "return" of phonecards-- which were never bought, according to Luis Vigdor, the New York dealer who was "credited".

April 2, 1997

Limit LLC. announced today that it has entered into an agreement with ConQuest Telecommunication Services Corp. to purchase a substantial amount of the assets of what is known as "ACMI, a division of ConQuest". Limit LLC. shareholders are essentially the same parties that originally founded ACMI and will continue to use the ACMI name. Limit LLC will continue operations as normal in its facilities in Memphis, TN, where they have been located since 1992.

Integral to the agreement between Limit LLC. and ConQuest is the plan for ACMI to market the products and services of ConQuest in an aggressive Agent-Vendor relationship once again.

ACMI has applied for Trademark registration on both Direct to Infinity Marketing (DTI) and Virtual Personal Assistant (VPA). DTI has been characterized as the marketing plan of the 21<sup>st</sup> century; VPA, a product commonly referred to as "Wildfire", was featured by Peter Jennings on ABC's World News Tonight on April 1<sup>st</sup>. *Not available, according to multiple ACMI agents.*

ACMI Consultants can look forward to a record year in growth and success at ACMI.

Re: ACMI

Dear Mr. Guthrie:

Out of your fax messages to me and ACMI which libel, threaten, harass, intimidate and inaccurately portray the true facts of your relationship with ACMI (and mine, inasmuch as I am not a director or owner of ACMI and certainly not the brains behind the organization) one thing seems clear -- you are not in a position to provide a copy of the documentation requested in Carla Anderton's letter to you dated July 30, 1997, a copy of which is attached. However, if you are now able to provide the documentation, please send it to me, and I will have it reviewed and respond relative to ACMI's position in this matter.

I would also be happy to discuss this matter with "the largest law firm in Denver" or whomever else is representing you. Since you are represented, I would be precluded from discussing this matter directly with you. Given some of the things you have said about me in your faxes which are grossly inaccurate, it would be better to discuss the facts of this matter with someone else so that we handle this in a rational manner.

Very truly yours,

David J. Johnson

Evidence of Conspiracy?

In April, 1999-- two months after ACMI filed a "shut up" suppressive lawsuit against me (and lied to the court about my "violating the stay provision of the PIN bankruptcy") Kevin Anderton of ACMI's controlling family shut off \$8000 in pre-paid telephone card PINS belonging to Laser Radio. A series of "reasons" for the shut off, ended with "ACMI president" Nate Prager's assistant telling me that the PINS were shut off, "Because you sued us. I'm supposed to tell you to call Mr Johnson".

In this reply, David Johnson (knowing exactly what had happened, because he was still an owner of Limit, LLC dba ACMI) lied to me in order to stall for more time.

Some weeks later, a frightened-sounding woman working for ACMI sent me \$8000 worth of PINS-- but she feined ignorance of "What they told you. I'll see what I can do for you". *By August, 1999, she (and all Memphis employees) were without jobs*
